To
The Secretary to the Commissioner
for the Government of the Territories of
H.H. the Rajah of Mysore

Sir,

I have the honor to submit copy of Statements showing the Coyrm Gotta and Inam Villages which have hitherto enjoyed Abkary profits done in virtue of Lodg and Arrack being specified in their Summuds, and others merely by the permission of the Revenue Authorities.

I called for this information in consequence of complaints being preferred by some of the Inamdars that were deprived of their long existing privileges by the introduction of the Sudder Distillery Rules.

There are twenty nine Inamdars in the Bangalore District, nineteen in the Colar District and twenty two in the Toomkoor District, who are more or less losers by the change of System,

prepared in the Duplicate on the subject is also submitted for the Commissioner's information.

I have the honor to be

Memorandum

1/a

Several Complaints have been received from the holders of Enam Jodee and Koringottah Villages stating that in their Summuds the arrack and Toddy were granted to them and that in the last Amany System the Government itself having had the management of the same, certain amounts were paid to them annually, and requesting therefore that they may be permitted to sell the arrack by opening Shops and Establishing Stills in their Villages.

Stills Shops

With intent of Submitting this question to the Commissioner for his consideration and order the Deputy Superintendents of the Districts were called for an explanatory Statement. I beg respectfully to submit three Statements received from the Districts together with the Copies of Summuds which will shew the Names of the Villages and Enamdars, and whether those items were allowed to them, and how they were held by the Enamdars.

Toddy Parade

The Toddy and arrack of the late Bangalore Division had been Rented to Mr. J. Mungler and Yelay Mully Setty for 5 years from 1st May 1862 to April 1867 on Condition that they should not

in London

interfere with those intoxicating drugs of the Cuam, Jodee, and Koringottah Villages in the Summuds of which they are allowed to the holders; but from May 1864, the arrack has been prepared and sold according to the new Sudder distillery System; and the Contract of Toddy Confirmed to the above individuals, but the Toddy of the Soonkoor District has been rented annually to the highest bidders.

One Dasuppah Koringoottadar of Deva Puttum Village in the Chennapatam Taluck petitioned the Superintendent stating that he rented to a certain individual the arrack of his Village for 5 years at 240 Rs. per annum, which was continued for a Year, and from May 1864 it was stopped, and requests therefore that either the said Sum or three fourths of it may be paid to him in Cash, or it may be remitted out of the balance due by him to the Government on account of the Village.

The Deputy Superintendent sends in a Report from the Amildar stating that the Koringoottadar Dasuppah objects to pay the balance of Rs. 246..8..3 of the last year (leading) that the above amount of Rs. 240.. should be refunded to him by the Sirkar.

The Average amount paid to the Koringoottadar during the last 10 years from 1848/49 to 1858/59 as per list received from the Amildar is Rupees 149..15..7.

The

The Deputy Supt. of Bangalore also submits another report from the Amildar of Devanhully that the Koingoottadar of Kyalvoor makes similar objections to pay his balance of Rupees 131.3.3 of the last year.

The question is that whether the Inamdars of those Villages might be paid annually such amount as would give in Calculation after deducting the expense incurred for preparing the attack and the pay of the Servants of this branch from the total Collection of the respective Villages as it was done in the late Amany Management, or in what manner they should be Compensated as the practice to allow them to establish Mills in their Villages would give a great room for frauds.

I think the best plan of meeting the difficulty which the Supt of Pounding brought to notice will be to allow such Cranbrook as a distinct right to distrain for fees in their pounds & establish a Table of fees which the licensee for them should be paid on distresses as performed by the respective Supts. No distress can be levied & Cranbrook at the same time no Cranbrook be entitled to receive the licence fee mentioned in this Summons does not contain specific mention of this right to distrain, more custom not being admissible as grounds for setting up a claim

Sir,

I am desired to acknowledge the receipt of your letter No. 3081/126 of 8th January last, submitting a Statement of Cajeri Gootta and Cajeri Village which possess certain rights connected with the Abkari Revenue within the Tumkur Division, and soliciting instructions as to the mode in which the claims of the proprietors of these holdings should be dealt with.—

2. The Superintendents of the other Divisions having been consulted on the subject, I am directed by the Commissioner to observe that the difficulties to which you have directed attention, might be best met by allowing such Cajeris as have a distinct right to distil, stipulated in their Sunnuds, to establish a retail shop in one or more villages

The license fees for which may be made payable to them, while the control and management in all respects should be (as suggested by Colonel Clerk) retained in the hands of Govt. - This concession will of course be granted only to those Enamdars, whose Sunnuds contain specific mention of their right to distill, a claim founded on mere custom and usage not being admissable. -

3. The prohibition against the existence of Distilleries within Enam Villages will be strictly maintained. -

Sir,

I have the honor to forward for submission to the Commissioner copy of a report No 286 dated 13th Instant from the Huvon Deputy Superintendent together with its original inclosures in relation to the claim of the Sringeri Mutt for the Abkaree revenue derived from the sale of liquor &c in the Sringeri Inam -

to be returned.

In your docket No 1185/179 dated 27th June last, it has been ruled by the Commissioner that such Inamdars as have a distinct right to distill in virtue of their Inam may be granted the License Fees levied on the Retail shops established in their Inam villages, and that the claims of others to the Abkaree revenue are inadmissible. The Sringeri Mutt was thereupon required to produce its Sunnud under which the Abkaree revenue is claimed, but from the enclosed

Copy

copy of His Highness' Firman of 1828 produced by the Mutt Parputtegar, it is clear that the original Sunnud of the Mutt had been lost prior to the date of the Firman and the Abkaree revenue has nevertheless been enjoyed by the Mutt-

3 Under the above circumstances I beg to recommend that the license fees on such shops as may in communication with the Deputy Superintendents be established in the Sringeri Inam, may be paid to the Mutt in conformity to the ruling above quoted, and that the retail dealers be directed to supply themselves from the nearest wholesale shop or Sudder distillery as may be determined by the Dy Superintendents-

J. Thurgood Despatch

Fuyad Uzeez No 3291

The following requirements of the Sringary Mutt, which has existed from a very remote period, are submitted for the favourable Consideration and sanction of the Commissioner

1 A Rabary is requested to be issued to enable the Goosoo to proceed on pilgrimage without obstruction to Teerputty, Cumba=Conum, and Ramaswarum &c. similar to the one issued by the then Commissioner of Mysore on the 21st November 1837 No. 19, with the concurrence of the Governor of Madras, permitting the authorities of the Company's Territories, to render assistance and to enable the Goosoo to receive homage from his disci=ples in the Zillas of Trichonopoly and Madura &c. A passport was also furnish=ed by Lord William Bentinck, the late Governor of Madras, dated 23d May 1805.

2 If the disciples do not walk according to the mandates of the Mutt as regards their religious observances, a due punishment should be inflicted on them, as mentioned in the passport issued by the late Mr. Stokes, the then Superintendent of Nugur Division dated 11th November 1834 No. 163 which resulted on a reference to the passport previously given by the then Commissioner under date 5th September 1832 directing that the

the local authorities should see that disciples pay due homage to the Mutt, failing which, to facilitate a due obedience to the Mandate of the Mutt.

3. The Government have lately assumed the power of collecting the sayer revenue of "Sooparee" and "Coffee" Dues of the Jahagir of Shri Shringaree, which was formerly in the hands of the Mutt itself. The revenue thus collected used to be paid to the Mutt monthly, but now this practice has been discontinued and a yearly payment substituted, as the present system brings loss to the Mutt, it is requested that orders may be issued for the payment of the revenue monthly as usual

4. The revenue, derived from Punchabab in Shringaree Jahageer, belonged from time immemorial to the Mutt. Latterly the collection of the revenue on this head was retained by Amanee by the Government and was paid to the Mutt But now the Government have taken the collection of the revenue entirely into their hands and appropriate it themselves It is therefore now desired that the revenue may be restored to the Mutt as formerly.

5. As the Ryots of the villages attached to the Shringaree Jahageer, do not pay the assessment due to the Mutt regularly, it is requested that the Mutt may be

be authorised to collect such assessment from the Ryots as in the Circumvent villages viz: by attaching their property as usual.

6. A Circular Instruct / lately issued regarding the execution of a decree upon Ryots in the Jahageer Villages, ruled, that in all such Cases the revenue of the Mutt / if any / should first be deducted from the amount realized by auctioning their property, and the remainder be remitted to the decree holder, this practice is now done away with. As the Mutt is put to a serious loss by this change, an order is requested to continue the former practice.

7. When the Ryots / who hold lands in the Sringaree Jahageer and are the Buckdars of such lands / go to Circar Villages without giving any information to the Mutt, it is requested that such Ryots may be directed according to the Mamool to return to their Jahageer immediately on information being given to the Circar, as the Mutt will sustain loss from the lands not tattam by others on assessment in the face of such Buckdars.

8. The right of registering the instruments &c. of the individual resident in the Sringaree Jahageer and of settling the disputes of any Buckdars belonged to the Mutt, but by the introduction of the Registration Act, this right has been

been taken away, causing a great loss to the Mutt, as well as the emoluments attendants thereto.

9. Stamp papers are sold by the Government for the Jahageer Villages and the revenue derived from this source is added to the Circular, it is requested that this privilege may be attached to the Mutt,

10. The Government claim a sum of Rs. 58. 3-11 from the Balavady Village attached to Sringaree Jahageer, on account of Certain road funds. It is requested that this claim may be resigned as the whole village is given as Jahageer.

11. It is requested that all letters issued from the Mutt may be exempted from the Anchay charge.

12 There are many rich merchants and others residing in the village of Sringaree Jahageer. Many letters are received both by the merchants and the Mutt, but such letters are now delivered through the Sheikdar. This channel of delivery causes great delay, it is therefore requested that an anchay Moodaudy may be appointed for the Jahageer.

13. Lastly the Mutt desires that it may be authorised to nominate a Magistrate, who would act according to the prevailing Judicial system. The revenue which may be derived under this head being appropriated to the Mutt.

To The Secretary to the Commissioner
of Mysore

Sir, In reply to your Dy No. 5450/140 of the 24th December 1867, I have the honor to enclose a report from the Deputy Superintendent of Cudoor on the subject of the claim of the Srengeri Gooroo to the abkari and Stamp revenue now credited to Government.

I may observe in the first place that the original Sunnud of the Mutt has never been produced so that it cannot be positively asserted that the Mutt is entitled to the abkari collections until this document has been scrutinized by the Inam Commissioner. The Mutt however by custom formerly enjoyed the profits realised by distilling and selling arrack, a system which was modified when the abkari was taken under the direct management of the Government and arrack was supplied at prime cost, the Mutt obtaining the profits on the retail sale.

The question of the rights of Inamdars in this respect was raised in the Nundidroog Division and in accordance with the instructions conveyed in your letter No. 1183/25 of 1866-67, 27th June 1866 which terminated the correspondence

marginally noted, the license fees on retail shops within the limits of the Mam were allowed to be taken by the Mutt. It appears therefore that the present application is for the Still head duty of Rupee per gallon, and though I am not prepared to say that the claim of the Mutt is inadmissible I do not see how it can be allowed without the risk of gross abuse. It would be impossible to permit the Srirangeri Officials to take whatever quantity of liquor they liked from the Government Distillery free of duty, as they would of course take as much as they could at the distillers price and make a profit by disposing of it at a lower rate than any other retail sellers could afford to do. They could moreover clandestinely supply retail sellers beyond their limits with liquor cheaper than the latter could buy it at the distillery and it is therefore probable that the Govt revenue would suffer.

< From Secy 5131/37 7/12 Feby/66.
To do No 60 of 15 17th May 1866.

The only way that I can suggest of meeting the difficulty (if the claim of the Gooroo is admitted) is to place a certain limit on the quantity of liquor allowed free of duty to the Mutt, but the Mutt might be called on to show what arrangements they themselves can propose.

The Amts cannot I think either on the grounds of their sunnud or custom rightly claim the revenue derived from Stamps but the amount is so insignificant that it has not been worth the while of a vendor to remain in Srirangam and sell stamps. The real object of the Govnor is not I believe to get the trifling sum realised by the sale of stamps, but to obtain the exclusive power of issuing stamp papers to applicants and thus be able to refuse to give them in cases in which any transaction is distasteful to the Govnor or other leading parties in Srirangam.

Sir,

Adverting to the communication marginally noted, I have the honor to submit that the Abkaree Revenue of Lruigary alluded to in the 4th para of the Memo presented by the Gooroo to the Commr. used to be paid to the Mutt as long as the Item was under Amanee management, and that since the introduction of the Sudder Distillery system the tax on the arrack shops is collected by the Mutt, and the duty on the arrack levied at the Still at Hurrihurpore and carried to the credit of Govt. The Gooroo evidently wishes the latter to be paid to the Mutt as forming a part of the Abkary Revenue.

2. As regards the 9th para of the Memo. I beg to observe that Stamp papers were sold at Lruigery up to the end of April 1866, and the yield for one year was as shown in the accompanying Statement Rs 921-13-- The Stamp vendor, however, finding that the Commission he derived from the Sales, was rather small, gave up the trade and no person, has as yet come forward to take his place.

3. I beg to add that although the

Town of Irkutsk is the largest and most populous in the Irkutsk & much trade is carried on in it. I doubt if the Sales of Stamps will be sufficient to yield an adequate remuneration to a vendor, and if the Stamp Revenue can legitimately be assigned to any private individual or institution.

Sir,

With reference to your Partly Circular No. 577 of 19th Ultimo, I have the honor to submit the following report.—

It would appear that the Sringeri Mutt retained the Abkarri in its own power upto June 1860. A distillery was carried on under Ammani at Shimoga for the Sringeri Division from 1st July 1860 upto end of September 1861 and the following arrangement was made with the Mutt. The Mutt received 1427 9/10 Gallons of arrack on a payment of Rupees 691-2-9 the prince cost of manufacture. As the fixed price per Gallon of liquor was Rupees 1-4-0 the value of the liquor supplied to Sringeri Mutt amounted to Rupees 1,784-14-0 from which deducting the prince Cost Rupees (691-2-9) the balance Rupees 1093-11-3

may

may be considered the Net profit of the Inutt.—

In the year 1866/67. Rupees 12—"—" were realized by the license fee of one Shop in Sringery—and in the year 1867/68. Rupees (42-4-") were obtained from the fees of 4 Shops— It may be suggested for the consideration of the Commissioner that in the instance of the year 1867/68. 667 Gallons were issued to the 4 Shops in the Jagheer, that I find the total receipts in Gallon and Licenses from the Coppa Distillery amount to Rupees 3842-4-" that the Cost for Distillery Establishment for the same period Viz. the year 1867/68 was 1147. 4-5 and the net profits to Government were Rupees 2694-15-7 and thus 667 Gallons issued to the Shops of the Jagheer would represent about Rupees 453-10-2 of the Net profits made by Government and payable to the Sringary Inutt for the year 1867/68— and this includes the 42¼ Rupees for license fees of the 4 Shops of the Jagheer which sum has already been mostly paid to the Inutt.—

Your Memo. dated 12th A. I of the month of Shravanah and a copy of letter, conveying the Commissioner's proposal as regards the Abkarri revenue of the Sringéri Servamoonems, reached me in Hindoopoor Camp.

As regards the enquiry in the letter if I am willing to receive Rupees 500-0-0 annually on account of Abkarri revenue of the Sringéri Servamoonems and calling for an expression of my opinion on the same, I respectfully state that all the Items of revenue, collected by Government in the Province, are likewise levied in the Sringéri Servamoonems and the entire revenue of the latter was allotted for the appropriation of the Mutt and the performance of religious ceremonies thereby the late administrators of the Province and the same indulgence is still continued by the liberal Government which rules the land at present. The realizations are

appropriated to religious purposes.

Under these circumstances you will be good enough to obtain the Commissioner's authority to continue this revenue item in full as heretofore.

Translation of a Statement given by the Sarvadhicar of Sabery Mutt.

I have heard read, Commissioners letter No. 3823/931 of 30th September 1868, intimating that under the existing Abkary Rules, sanction cannot be accorded, for a separate Distillery being established in the Turva Nanu Villages, attached to the Sringery Mutt, and that the wishes of the Mutt, could only be met, by a payment yearly, of a certain sum in Cash.

With regard to the first point, that no separate Distillery could be sanctioned, I have nothing to say.

In reference to the other, I have to state that the Mutt, would suffer a serious loss, by the proposal, as the amount proposed to be paid is only 500 Rs. while in former years, from Rs. 962-3- to 1554-1-6, as shewn in the margin have been paid.

I would beg to suggest, that the Mutt would open a shop, in the Village, under its own agency, and the arrack may be supplied to it, from the Government Distillery, the hassul accruing thereupon, being paid to the Mutt. In case this proposal does not meet with the approval of the Circar, I would request, that every thing may be carried on, by the Government, as heretofore and

&c

the amount derived from the sale of shops and bazaar on liquor, minus the charges, may be paid. If neither of these, is sanctioned, I have to state, the Instt would be put to loss, and taking this into consideration, I request the circar, may be pleased to comply with any requests.

mutt, Viz: that the abkaree management of the Duars be entirely left to Govt. as heretofore and the amount derived from the sale of the shops and the realizations from Still head duty on liquor imported for consumption in the Duars Villages, minus the charges of establishment, be paid to the Mutt. The cost of establishment, may be computed with reference to the total Still head duty on liquor issued for consumption, in the proportion, that the cost of the distillery establishment at Nurrinpoor, bears to the total realizations in the Distillery.

The statement submitted by the deputy superintendent, showing the quantity of liquors consumed, in the Emigéri Jahgheer during several years appears to be unreliable.

Sir,

With reference to your docket No 723 dated 8th January last, I have the honor to submit herewith a State= ment shewing the amount of liquor Con= sumed in the Jaghier of Sungari and the revenue derived therefrom.

2 It will be seen from the above that there are no Reliable ac= Counts than those of the Cutt from which the quantity of liquor really Consumed and the revenue derived under the head Abkari, Can be ac= Certained. The amount of liquor supplied to the Jaghier from the date of the es= tablishment of a Distillery at Kur= ryhurpoor up to the present date is Correctly entered in the Statement

3 Of the two proposals submitted by the Instt, the former appears to me objectionable, in as much, as the privilege of establishing any number of shops, if conceded will open a door to fraud.

4 As regards the latter proposal of the Instt, I think it may be acceded to, as this arrangement will, under Government supervision ensure the Instt its Abkari dues, as a Farm a Sirsi jaghir. The Govt at the same time, will reserve the right of selling arrack shops and supplying only that quantity of liquor which is actually required by the Jaghir

With reference to the Shegur Superintendent's Docket No. 244/20 of the 19th ultimo submitting copy of a letter from the Deputy Superintendent of Cudoor regarding the collections of Abkarri Revenue in the Sringary Jahagheer I beg to state as follows.

In the Statement received with the above it would appear that for the 13 years for which particulars of the Abkarri Revenue are furnished the receipts for 8 years, Viz from 1855/56 to 1859/60 and from 1861/62 to 1863/64 are based on the Mutts accounts, and that for the remaining 5 years, on the Circar accounts. According to the former, the average per year is Rupees 927-"-" and the latter shows Rupees 476-"-" per annum. The average of both terms is Rupees 752-"-". I am therefore of opinion that the maximum amount proposed by the Chief Commissioner Viz Rupees 700-"-" may be granted to the Mutt.

Sir,

In reply to your letter No. 751/32 dated the 12th May last, I have the honor to submit for the information of the Chief Commissioner that the Surradicar of the Singeri Mutt was called on to state if he was willing to receive an annual composition of 800 Rupees in settlement of the Abkaree dues of the Mutt. He replied that as the Mutt would lose by the arrangement, the 2nd proposal made by him should be sanctioned and that the reply of the Gooroo who had been written to on the subject would be communicated. The Gooroo has not thought it worthwhile to reply to such an extremely subsidiary question, and as it is not

advisable to defer Settlement, I would suggest that the compensation of 800 rupees be fixed as compensation -
